## Grand Knight's Message November-December 2010

Our Council has had a very busy, exciting and successful six months. Hard to believe that we are nearing the end of the year!  
I have listed some of the high lights of the past six months.

- Under the leadership of Tim Winningham, we have met and exceeded our goal for the year, set by Supreme for new members to our council in the first six months. I might also add, our council membership today is one of highest in terms of total members based on years' past.
- Our council drive to purchase Ultrasound Machines, under the KOFC Ultrasound Initiative, exceeds all expectation. We participated with five other councils and we were top council in terms of funds raised. Thank you Hank Evers and Don Walz for your leadership on this project.
- The Oktoberfest to help the Camp Pendleton Naval Hospital again drew large numbers of people. It truly was a happening. Mel & Deana Progar directing this affair along with 52 of our brother Knights helped to make this a success
- Our first ever St. Eds Knights retreat. Thank you Father Loc and Niel Sampson for your help.
- We did not have the number of players, as years' past at our Golf Tournament, with a tough economy, yet we still came out with the funds needed. Thanks to the Chairs, David Franzetta, Mike Chapman, Jim Ship and a number of our brothers to make this happen.
- The ID Drive, again with a tough economy. With the help of many brother Knights and Ron Kuhn leadership we did about the same as last year which put us in the state's top 10 councils in CA.

I could go on and on and so many good things we did. Most of all we could not do this without you, the Knights of this council, for all the help and time you gave to make the first six months of our year such a success.

The future looks bright for our council. We

are growing and remain very active, always searching for new ways to better serve St. Edwards Church and school, families, and community. Again all this is not possible without your contributions of time and help. I am very proud, as you should be, to be a member of this council.

As this will be our last Knightline until next year, may the hope that inspired the wise men fill you and your loved ones' heart with joy this Christmas.

God Bless

Paul Sampson  
Grand Knight

### November-December 2010

Knights of Columbus Corporate Community

The Knights of Columbus supports the community in which we have Christ presence, we also support around the community through strategic philanthropy of St Edwards. Strategic philanthropy includes respect for life (birth choice health clinics), blood drives, ID drive, contributions in handy Knights, executive board service, military assistance support, youth ministry and student scholarship program. The common thread is that, regardless of where the support comes from or the intent, both types of support benefit the community and are viewed by the community as Knights of Columbus good Christians/citizenship. As such, it is important that our efforts, are aligned and integrated so that they achieve the greatest possible positive impact on our community and serve to present "Christ". Knights of Columbus do amazing things. Whether it's participating in the sponsored volunteer events, donating money to community organizations or using their professional skills and talents to build stronger and more vibrant community. The KOC members are driving positive change in our St Edwards community and also worldwide.

Thank you and God Bless

## Lecturer's Corner

### November-December 2010

Brothers in Christ,  
The duties of the office of Lecturer, as defined by the Knights of Columbus is to work directly with the Grand Knight to provide educational material, and/or speakers at Council meetings. These are to enhance the spiritual and/or educational awareness to our Council's Committees, as well as our Church and Community. All Knights of Columbus Council's activities are broken down into 7 categories, including Council, Church, Community, Membership, Family, Youth, and newly added Respect for Life. September's speaker, respecting our commitment towards our community, Emily Thomas spoke on her recent mission to El Salvador. Our Council helped to sponsor Emily, whose mission it was to help the poorest of the poor. In September, we met our newly hired Youth Minister at St. Edwards, Gary Foote. While last month, representing Respect for Life was Kathleen Eaton, CEO and founder of Birthchoice, who gave us a report on our successful Ultrasound Project, as well as the atrocities and figures of abortion. We are privileged this year to have our Chaplain, SK Father Loc Tran commit to being present at each of our meetings in November, March, May, and September. Father will be doing this on his regularly scheduled day off. At each of these meetings representing our commitment to our Church and faith, he will be addressing the Council with a 10 to 15 minute talk to enhance our spirituality and commitment to our goal as Knights through Charity, Unity, and Fraternity.

Current upcoming speakers include:

- This month's speaker will be Faith Formation Director, Donna Couch, and our Chaplain Fr Loc Tran.
- There'll be no meeting in December.
- January's meeting will be brother, SK Joe Salaiz, Supreme Membership Recruiter as well as Fr Loc Tran.

In addition to speakers, we have pledged to provide good meals before each meeting starting at 6:30 PM. A cost of five dollars per person is asked to cover the expense of the meal. It is our goal to bring as many brother Knights together in fraternal spiritual and charitable friendship, while keeping them up-to-date, and active in our Council's activities.

Please make a point to attend our meetings, which will now be held on the third Thursdays of the month in Knight Hall at 7:30 PM, dinner at 6:30 PM. Next meeting is Thursday, November 18.

Vivat Jesus!

Vocations Corner  
November-December 2010

Let's take a moment to look at November before we move on to December..

The Church starts the month with All Souls Day remembering all those who have died. Then our parish has our Remember Me Mass honoring those who have gone to the Lord this year. The Knights in turn honor all those Brothers since their inception with their Memorial Mass.

We close the month with Thanksgiving Day, gathering with family and friends to remember that all we have comes from God.

We move into December honoring Our Blessed Mother with her Immaculate Inception; and then the Birth of Our Lord, followed by the feast of the Holy Family. A month that reminds us how Blessed We Are to be Roman Catholics!

December would not be complete without recalling the words of Pope John Paul II taken from his Christmas Message December 23, 1959.

A Christmas Message

“Christmas is with us...united in spirit with Mary and Joseph on the road to Bethlehem, we taste a few days in advance the sweetness which come to us from the angelic hymn announcing the heavenly peace that is offered to all men of good will.”

“This (Social Peace) is solidly based on the mutual and reciprocal respect for the personal dignity of man... The Son of God was made man, and His redeeming act concerns not only the collectivity, but also the individual man.”

“Oh, may all men of good will return to Christ and listen to His divine teaching... With such a wish and with such a prayer, behold we have arrived, all of us, like Mary and Joseph, like the humble shepherds, and like the Wise Men from the East, before the crib of our Newborn Savior.”

“At Bethlehem all men must find their peace.

In the first rank should be Catholics. Today, especially the Church wishes to see them pledged to an effort to make His message of peace a part of themselves.”

“The Pope's task is to prepare for God a Perfect people (Luke 1:17) which is exactly like the task of (John) the Baptist, who is his patron and from whom he takes his name. And it is not possible to imagine a higher and more precious perfection than that of Christian Peace, which is the peace of hearts, peace in the social order, in life, in prosperity, in mutual respect, and in the brotherhood of all nations.”

“May this message be in our hearts, our words, and our actions as we approach the Feast of the “Birth of Our Lord.”
